### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Savings, Christmas Club, Platinum Checking, and High Yield Checking accounts, the dividend rate and annual percentage yield may change monthly as

determined by the Credit Union's Board of Directors or their designated committee. For Money Market Premium and Accumulative IRA accounts, the dividend rate and annual percentage yield may change weekly as determined by the Credit Union's Board of Directors or their designated committee. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Platinum Checking and Money Market Premium accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage

yields applicable to each tier are disclosed in the Rate Schedule. For Platinum Checking and Money Market Premium accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. The High Yield Checking accounts are tiered rate accounts. If your daily balance is \$25,000.00 or below and you meet all of the following minimum service qualifications during the calendar month, the first dividend rate and annual percentage yield listed for this account in the Rate Schedule will apply: 1) have at least 10 debit card

purchases (excluding ATM transactions) post and clear; 2) have at least one (1) automatic payment or direct deposit post and clear; 3) log into Online Banking once a month; and 4) receive E-statements. If your balance is greater than \$25,000.00 and you meet all of the minimum service qualifications, the second dividend rate and range of annual percentage yield listed for this account will apply. Each rate will apply only to that portion of the account balance within each balance range. If you do not meet all the minimum service qualifications during a calendar month, the third dividend rate and annual percentage yield listed for this account will apply to the entire balance in the account. If you meet all the minimum service requirements, you will also receive ATM withdrawal surcharge fee refunds up to \$25.00 per month.

**2. NATURE OF DIVIDENDS** — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

**4. ACCRUAL OF DIVIDENDS** — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Savings, Christmas Club, Accumulative IRA, Platinum Checking, High Yield Checking, and Money Market Premium accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

**5. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Platinum Checking accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Savings, Christmas Club, Accumulative IRA, and Money Market Premium accounts, there is a minimum daily balance required to earn the annual percentage yield

disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

**6. ACCOUNT LIMITATIONS** — For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after October 1 and the account will remain open. You may not make withdrawals from your account at any other time. If you wish to access the funds in your Christmas Club account, you may close it. If you close your account, you will forfeit all accrued, uncredited dividends. However, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it. For Savings accounts, you will be charged a fee as disclosed in the Fee Schedule for each manual withdrawal in excess of two (2) during the calendar month. This limitation does not apply to automatic transfers, ACH withdrawals or ATM withdrawals. For Money Market Premium accounts, you will be charged a fee as disclosed in the Fee Schedule for each manual withdrawal in excess of three (3) during the calendar month. This limitation does not apply to automatic transfers, ACH withdrawals or ATM withdrawals. For Accumulative IRA, Platinum Checking, and High Yield Checking accounts, no account limitations apply.

**7. FEES FOR OVERDRAWING ACCOUNTS** — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the

plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

**8. MEMBERSHIP** — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1

**9. RATES** — The rates provided in or with the Rate Schedule are accurate as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.

**10. FEES** — See separate Schedule of Fees and Charges for a listing of fees and charges applicable to your account(s).
